

Falling more in love with Jesus...together.

Job Title: Worship Director: Contemporary

Status: Part-Time up to 20 hours/week, Non-exempt

Reports to: Senior Pastor

Supervises: Volunteer Youth Band Leader

Purpose

To lead the congregation in worship - design and implement systems and empower teams and persons that lead the congregation into fresh encounters with God.

The Director honors and glorifies God by shepherding worship encounters: framing worship theologically, providing worship music, and other elements within our rich, contemporary worship services.

Qualities Sought

- Evidence of a strong and growing relationship with Jesus Christ lived in the power of the Spirit.
- Evidence of a commitment to worship God in all areas of life
- A depth of biblical knowledge and spiritual maturity
- Demonstrated experience leading others into the presence of God – spiritually intuitive
- Skills in selecting, directing and performing music appropriate for worship
- Musical ability evidenced in instrumental and/or vocal skills
- Ability to lead and work well with others
- Ability to work in harmony with the pastors, church leadership, and other staff
- Good planning, time-management, communication and organizational skills
- Giftedness in developing a team
- Skills in technical aspects – sound and media applications. Experience with Planning Center Online and ProPresenter preferred
- Commitment to Grace Church’s mission, values, strategies and measures – including participation in a Life Group

Scope of Position

Collaboratively Leading Worship Teams

- Recruit, train, and lead a variety of musicians/vocalists as a team
- Schedule volunteer personnel and team rotation
- Direct and lead weekly rehearsals to execute weekly worship plans
- Provide timely communication to worship teams
 - Lead sheets, audio recordings, and other resources for weekly rehearsals should be delivered at least 72 hours before rehearsal using Planning Center or other helpful tools
 - Reply to communications from staff and worship team members within 24 hours
- Develop a youth band leader who recruits and develops high school students for HS worship

Falling more in love with Jesus...together.

Collaboratively Designing and Leading Worship Services

- Engage the congregation in authentic, Presence-centered, worship encounters
- Meet with Pastors to evaluate and plan worship services
- Lead weekend worship services and team rehearsals, taking one Sunday off each month to be in worship. Lead at special worship services (Christmas Eve, worship nights, 1 community event/year, etc.)
- Send lyrics/order to the media team for effective presentations in ProPresenter
- Work with servants who operate sound
- Maintain A/V equipment
- Oversee A/V support needs and work within a vision-led budget
- Additional relevant responsibilities as assigned by supervisor

Accountability

The staff person will report to and be supervised by the senior pastor.

Suggested Hours

20 hours per week.
