 Sunday 28 | **Serve at Kingston 1:30pm**
 Monday 29 | CLUB

CLUB: Mondays 8-9pm at Grace Church Barn
Highschool

This is our outreach night! It is an opportunity for students who are deeper in their faith journey to evangelize and share God's love with their peers who may or may not know Jesus. Club is specifically designed for the teenager who would most likely not attend church. This is an opportunity for teens who might not be comfortable in a traditional church setting to learn about Jesus. All students will have fun, build relationships with peers and leaders, and experience God's love.

Deep Dive: Wednesdays 6:15-7:30pm at Grace Church
Jr. High 7th&8th Grade

Deep Dive is exactly how it sounds! It is where we dive deep into scripture, learn about God's word, His character, and how to live out faith. Because of where they are developmentally, junior high students need a strategic mix of education and experience. The lessons we will teach during Deep Dive will help them follow Jesus, explore Scripture, develop healthy spiritual habits, and lead a life of service to others. For the full curriculum scope and sequence visit our website.

Rooted: Wednesdays 6:15-7:30pm at Grace Church
Highschool

Rooted will help teenagers discover the value of placing Jesus at the center of everything during some of the most formative years of their lives. Over four years we will thoroughly study: identity, decisions, commitment, and perspective through a biblical lens. Rooted is where teens will have the opportunity to be deeply rooted in their faith so that when they go off to college or the work-force they have a firm foundation in their faith and what they believe. For the full curriculum scope and sequence visit our website.

Campaigners: Wednesdays 8-9pm location TBD
Highschool

Grace Youth will be partnering with YoungLife for their Campaigners bible study. We wanted to have two options for teens to grow their faith depending on their schedule. This Bible Study will go through the New Testament and explore the scriptures and discuss as a group. It will be led by YoungLife and Grace leaders.
